**INVITATION TO ATTEND OUR
 SUMMER RECEPTION & ANNUAL GENERAL MEETING**

It has been an exciting year for the All-Party Pharmacy Group, one in which we have seen significant developments. The Group has played an important role throughout the year, including inquiries into NHS Health Checks and the serious issues related to decriminalizing error reporting, as well as our continuing inquiry into the progress of implementing the White Paper, *Pharmacy in England - Building on Strengths, Delivering the Future*. At the AGM, the Group's Officers will take stock of the past year's developments and look forward to the milestones ahead.

A broad range of healthcare stakeholders and parliamentarians are invited to the AGM, providing guests with an opportunity to discuss current health policies and pharmacy issues, establish contacts and strengthen existing relationships, in an informal setting. There will be a speech from Dr Howard Stoaate MP, Chair of the Group and the formal election of the Group's officers. We look forward to seeing you on 8th July.

Date: **Wednesday 8th July 2009 - Drinks and a light lunch will be served from 1pm**

Venue: **Dining Room A, House of Commons, Westminster, London SW12 0AA**
